25X1 8. [REDACTED] BRIEFING I discussed the 9 June DCI briefing of the Senate Foreign Relations Committee with Norvill Jones, Chief of Staff of the Committee, and it was decided that since the briefing would probably include compartmented information that only Committee staffers with compartmented access would be permitted to attend. I also asked if he had any problem with our suggestion that Senator Pete V. Domenici (R., N. Mex.) sit in on the briefing rather than provide him a private briefing. He said he had no objection and suggested the Senator's office call him for approval. I then called Kay Davies, in Senator Domenici's office, and explained the situation and she said she would speak to the Senator and if he was in agreement they would contact the Senate Foreign Relations Committee.

25X1 9. [REDACTED] LIAISON Tom Latimer, Staff Director House Permanent Select Committee on Intelligence, called to say that Chairman Edward P. Boland (D., Mass.) had requested to see the package of documents concerning the Cuban involvement in the invasion of Zaire. I told him that we hope to have the documents to him by noon. I also mentioned to him his request for a private briefing for Representative Les Aspin (D., Wis.) on the subject and asked if he minded if we contact the Congressman directly to see if he would be willing to attend the briefing of the House International Relations Committee on this subject on 8 June. He said he had no problem in our contacting Representative Aspin directly.
